IQ Test

For a little fun, read the following sentence and count the number of times that the letter P appears:

FOUR YOUNG OFFICERS OF THE DEPARTMENT OF FOREIGN AFFAIRS ATTENDED THE FIRST ANNUAL CONFERENCE OF THE INTERNATIONAL COMMITTEE FOR EQUAL RIGHTS OF ALL PEOPLE.

Answer on back page.

Thanks Todd

A skeleton gets on a bus, the driver says "where's your bus fare?", the skeleton says "I'm skint".

Three females crossing the road. The first one shouts to the last one "Ketchup".

Miss China White

Sam and I'm tossing and turning,
the prison's so quiet I just wanna shout.
My legs won't stop twitching,
my nose won't stop itching
and its not from the gear,
its from sneezing and sniffing.

This young man thinks ..
"where did I go wrong"
When did Miss China White start singing her song,
she looked so good I said give us a try
not having a clue about the part where you die.

H.I.V. Hepatitis C!
an early date with my maker is what's waiting for me.

So if I could - would I change the song,
Probably not,
the pull is so strong!

So beware my young friends cos the party soon ends
for once she gets hold she'll drive you round bends.

There's no days off not even a minute
for once she's gone you'll just start to fidget.

So you'll rob and rob just to get more
and you don't give a shit just as long as you score.
You'll rob them all, you won't give a fuck
and I hope that thought makes you stop and shudder,
and if you say you would not,
you haven't a clue
just what this shit can do to you.

Drugs can kill you and they will,
is it worth the powder or pill,
Ecstasy, Acid, Smack, Cocaine,
Herion, Speed , they all bring pain.

Is this the way you want to live?
I was a druggie but not anymore,
'cos I seen the dangers and now know the score.

Come down to reality and give it a miss,
for you to be clean is all that I wish.

Don't be a sucker and fall for that drug,
be a strong fighter like you know you should.

Get back to the person we all used to know,
the one with the love so warm it would glow,
you were a nice person but not anymore.

You're a junkie, a waster, you're like dirt on the floor.

You've lost all the respect of your family and friends.

They know you're a no hope, reaching your end.

So get up and start fighting and get it all back,
say no to the drugs 'cos you know its all crap.
