Urrús Keyworking, Care Planning & Case Management QQI Award (Minor) Level 6

Urrús Keyworking, Care Planning and Case Management programme will commence in September 2022. The programme is offered in response to the emerging skills, knowledge and practice needs of new and existing keyworkers in the drug and alcohol, homeless and broader social care sector. This programme will give learners the opportunity to understand the systems of key working, care planning and case management within the National Drug Rehabilitation Framework.

Aim of Programme

The programme will enable learners to:

- Develop the knowledge and understanding of the process of key working and acquire the skills and competencies necessary for key working.
- Develop knowledge and understanding of care planning and acquire the skills and competencies to develop, review and progress a care plan.
- Develop an enhanced understanding of case management concepts, frameworks and implementation methods.
- Develop an understanding of professional boundaries and potential boundary issues within the key working process.
- Gain increased knowledge of confidentiality within the key working and care planning process and to develop a greater understanding of the purpose and methods of case notes and record keeping.
- Develop a knowledge of the models of reflective practice and the application of reflection in the practice of key working and care planning.

Duration: This is a part-time programme delivered on Thursday (10am-5pm each day) over 12 weeks. In addition to the class time indicated learners can expect to undertake 6-8 hours each week for reading, research and completing course work.

Course Dates/Times: Thursdays 15th, 22nd, 29th Sept., 6th, 13th, 20th, 27th Oct., 10th, 17th, 24th Nov., 1st & 8th Dec. 2022 / 10:00am-5:00pm

Learner/Student Profile: This training is for new or existing keyworkers, support workers and other practitioners in the drug and alcohol field and in the broader social care field. Applicants must have at least one level 5 component in addiction or in a related care sector field and be available to attend the programme as described above. Applicants must demonstrate the ability to work on their own initiative.

Number of Learners/Students: 16-22 per course*

Application Procedure: Applicants are required to complete an application form and attend an interview. Shortlisting may apply.

Selection Procedure: Learners are selected based on written application and interview. Appeals can be addressed to Training Centre Co-ordinator.

Certification: The Ballymun Youth Action Project (BYAP) is registered with QQI (Quality and Qualifications Ireland). On successful completion of the programme learners will receive a component certificate in Person Centred Planning (6N2206) QQI Level 6 and Boundary Management (6N2207) QQI Level 6. The programme is accredited as QQI Award (Minor) Level 6 - Further Education and Training.

As part of our quality assurance, the learners work is marked by a course tutor, checked and moderated by an internal verifier and reviewed by an independent External Authenticator.

NFQ Credit Value: 30 Credits.

Cost: €595.

Protection for Learners Policy:

In the event that BYAP fails to provide the programme and certification as outlined above all payments will be refunded; financial policy and procedures available on request.

Modules: The modules covered during the programme are: -

- Key Working – systems and processes
- Care Planning – policy and practice
- Case Management – framework and communications
- Professional Boundaries – understanding and techniques
- Confidentiality and Case Notes – guidelines and application
- Reflective and Professional Practice – theories and practice

Methods: Delivery of the programme will see the use of inputs, group and individual exercises, role play, guided skills practice and reflective practice.

Assessment: Learner participation in all the sessions and completion of assessments is required to successfully complete the programme. Assessment is ongoing throughout the course, as individual modules are completed. The assessment approaches used in the programme include written assignments and learning journals. Learners can expect to undertake on average about 6-8 hours of self-directed learning per week. Learners will need to have computer and internet skills while engaging in the course learning. Minimum attendance requirement – 80%.

Progression Route: The programme offers a progression pathway to the Level 7 Diploma in Community Drug and Alcohol Work delivered in partnership by Urrús and University College Dublin.

Closing Date: Closing date for completed applications is **10th August 2022**. Interviews will be held shortly after closing date. If you have any further questions please contact the office – tel. no. 01 8467980 / email urrus@byap.ie
